FFP2 Mask Respirator Mask Conformity with EN 149:2001 + A1:2009 Mask with Multi-layer Filter System, Free and Comfortable Breathing

?Conforms to EN 149:2001+ A1:2009: Each of our masks is manufactured in strict accordance with the EU standards: EN 149:2001 + A1:2009. You can buy and wear them with confidence!

?COMFORT BREATHING - Our masks offer an extremely high level of protection without increasing your breathing strain. You can also breathe freely and comfortably with our masks

?MULTI STAGE FILTRATION - Our masks have a multi-layer filtration system and therefore have a very high filtration capacity, making your travels safer and more protected!

?COMFORTABLE FABRICS: All of our masks are made of extremely soft fabrics. In addition, the contours of the masks are adapted to the face. So we ensure that you can wear our masks comfortably for a long time
